

Department of  
Foreign Affairs

Berlin, Germany

Fast and secure document transportation with  
Telelift UniCar at the Department of Foreign Affairs

## The Customer, the Requirements, the Solution

The Federal Foreign Office is responsible for maintaining relations with other states and with international and supranational organizations. The Foreign Service currently comprises around 6.550 regular staff. In addition, the missions abroad employ approximately 5.100 locally employed staff. Foreign relations includes the following elements:

- politics
- economics
- culture
- press and public relations
- science and technology
- development cooperation
- consular and international law
- environment and social affairs

# Security

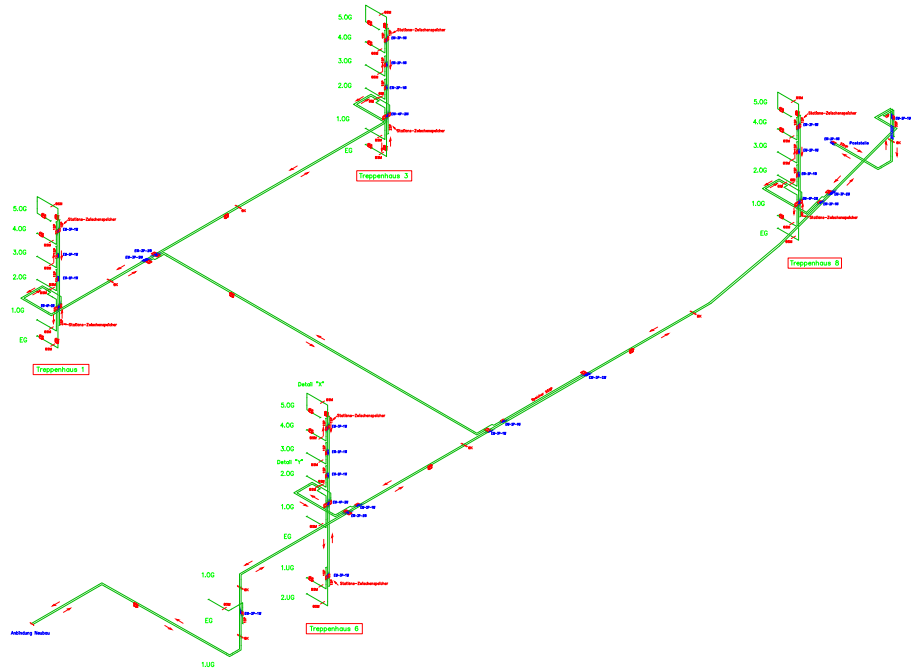

## The Solution:

Track length: ca. 1800 m  
Switches: 56  
No. of vehicles: 180  
No. of stations: 35  
Commissioning: 1999  
Control: EMK-III

## Benefits:

All containers are equipped with the automatic AutoDropAutoLoad (ADAL) function. This ensures 100 % precised delivery of goods and increases the availability of the conveyor system. Additionally the automatic electronic locking of the container lids, SecureMail System, protects against unauthorised access during transport.
