

**Air Cargo Hub
Terminal**

Zurich, Switzerland

Automated and safe transportation of freight documents in the Cargologic Hub Terminal with Telelift UniCar system

The Customer, the Requirements, the Solution

Cargologic Zürich is operated by Cargologic, a subsidiary of the swiss Rhenus Alpina-Group, a provider for physical processing of airfreight. Over 750.000 tons of airfreight are handled at the air cargo terminal every year.

Security

The Solution:

Floors: 4
No. of stations: 24
Commissioning: 1976

Benefits:

Transportation with Telelift UniCar offers protection against unauthorized access and manipulation. The transport is a fully monitored and documented process. More safety due to minimal personnel in security areas and higher protection for security-related transport.
